ABOUT CA MARKET

CA Market is created on 2023 to provide a stable no dealing desk forex broker to service a global client base. Our veteran management and support team comprises highly experienced forex and fin-tech professionals with combined decades of experience providing the best possible trading conditions and client support to both retail and institutional clients. CA Market has assembled a strong leadership team based in Cairo, the capital of Egypt. With decades of combined financial services and management consulting experience, you can rely on the CA Market leadership team to provide the most stable, secure and reliable trading environment. The CA Market leadership team frequently consults with stakeholders such as regulators, banks and other members of the financial services industry to ensure business integrity and customer security. The team also liaises with experienced service providers from Singapore, Australia, USA, UK and India to bring the best industry experience and innovations to CA Market customers.

ABOUT FOREX

Forex trading, also known as foreign exchange or FX trading, is the conversion of one currency into another. FX is one of the most actively traded markets in the world, with individuals, companies and banks carrying out around \$6.6 trillion worth of forex transactions every single day.

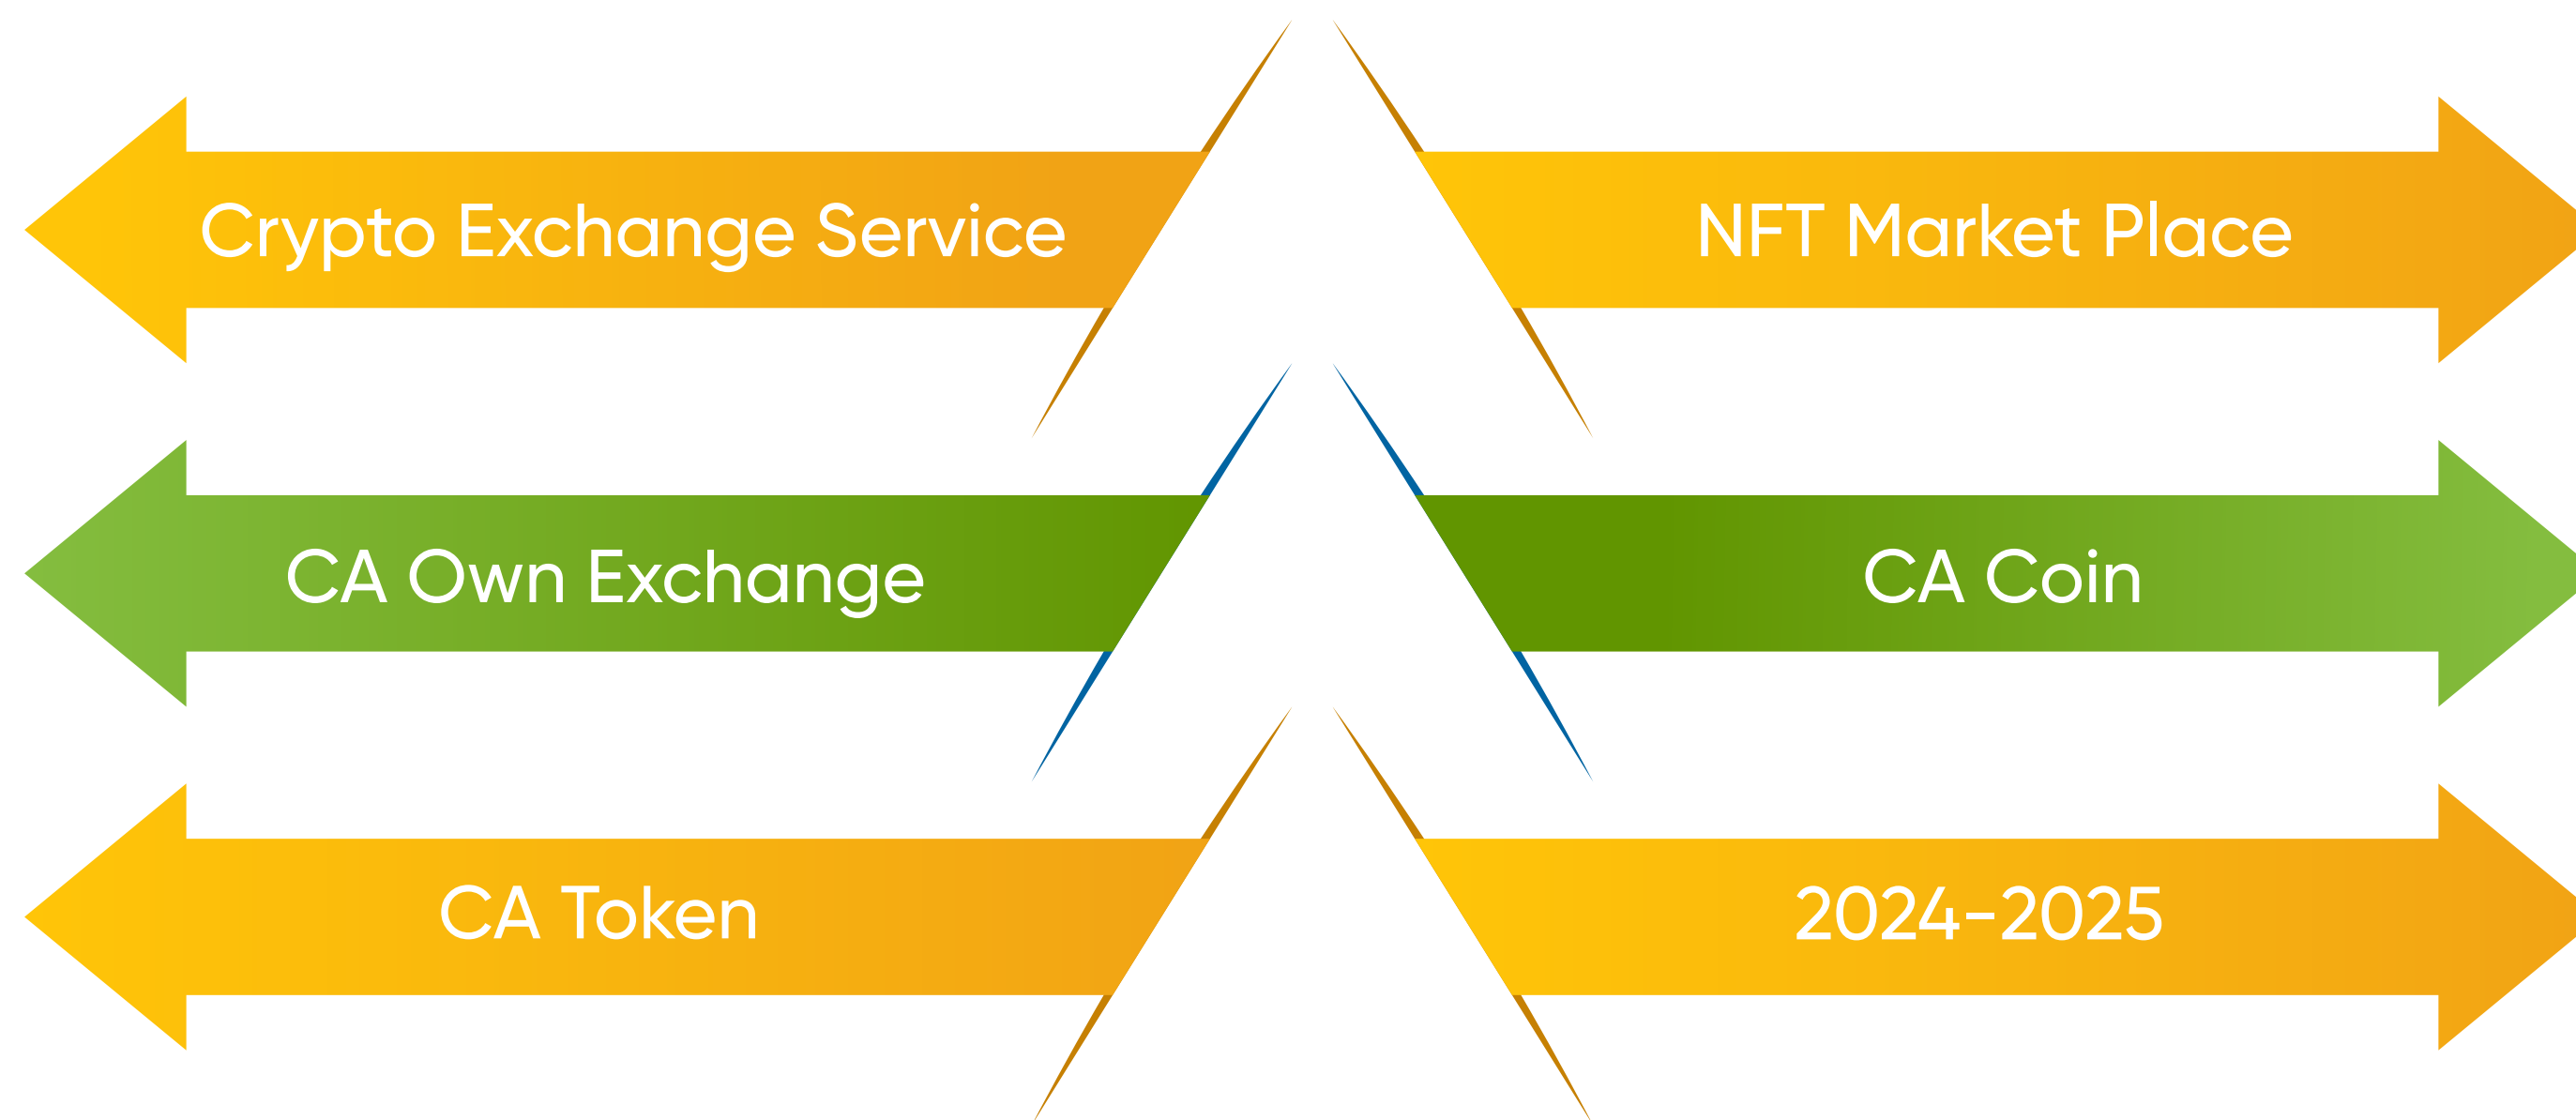

ABOUT AI

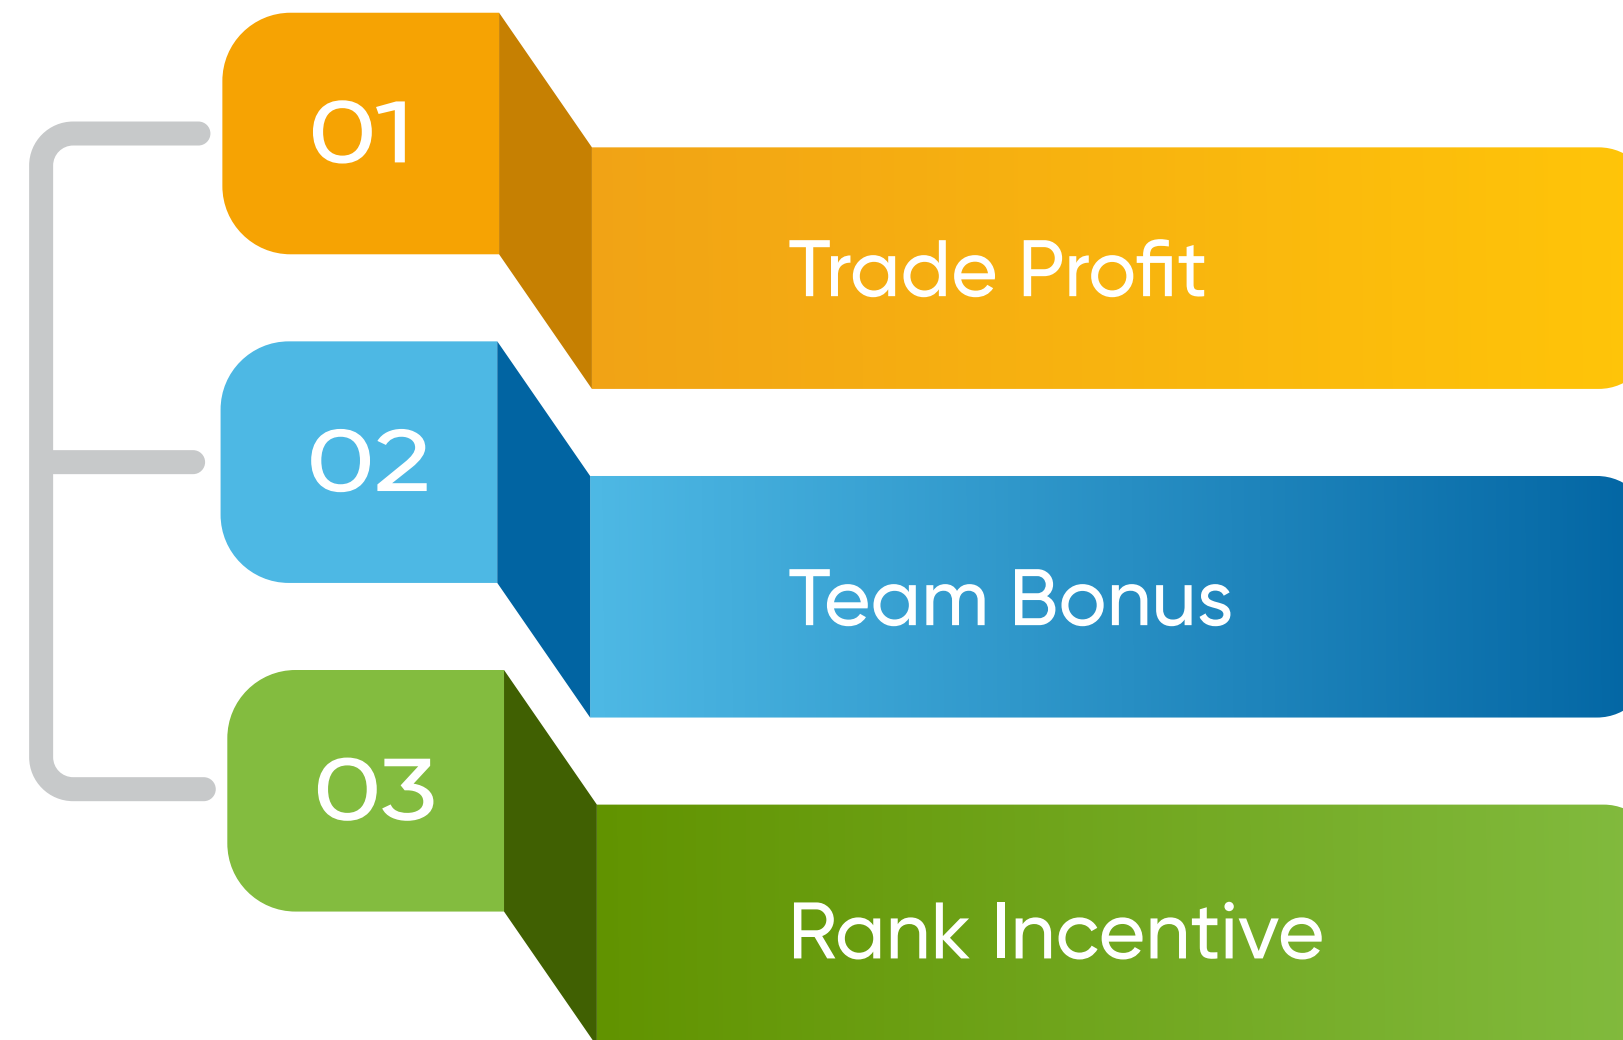

Artificial Intelligence (AI) trading refers to computer software which analyses market data and informs trading strategies. AI tools have unlocked potential new opportunities thanks to the unmatched speed at which they process vast quantities of information, supporting real-time buy and sell decisions.
